

ST. PATRICK'S DINNER

Heating / Serving Instructions

We take special care to bring you delicious, high quality, prepared foods. Proper handling is important to insure your enjoyment. Prepared foods should be kept refrigerated until ready to reheat and serve.

MICROWAVE ONLY

The dinner comes on a micro-wavable plate. Loosen the clear plastic dome from the plate and leave on top. Heat on high for about 3-4 minutes. Rotate and heat an additional 1-2 minutes and carefully remove from the microwave and let stand for about 2-3 minutes. Carefully remove the lid and serve.

PLEASE NOTE THAT COOKING TIMES AND TEMPERATURES VARY FROM OVEN TO OVEN.

- **PLEASE DO NOT USE TOASTER OVENS.**
